

Closing Your Account Notice

Read this disclosure before you close your old accounts.

Dear (future) National Bank customer,

Before you close your old account(s), make sure to leave enough money to cover any outstanding checks and/ or automatic withdrawals (Bill Pay).

Once all the outstanding charges have been paid, ask your previous bank or credit union to send your remaining balance(s) to you or directly to your new account with us.

Then, destroy all your old checks, ATM cards, debit cards and deposit slips.

Remember to download, print, and complete the forms on our "Open an Account" page. Do not forget to make copies for everyone you need to notify; Then, simply mail them out, hand them out in person, or scan and send them digitally to the desired party. It is that easy!

If you need further help or have any questions, just give us a call, or stop in to see us and we will walk you through it.

Welcome, to a better way to do banking.

Welcome, to community.

Welcome, to National Bank!
